### Principal's Message

Hello General Stewart Community! It never ceases to amaze me how quickly the calendar moves from September to January and now here we are with the start of another New Year! Hopefully you have been able to connect with family and friends, rest and enjoy the Holidays. I hope that you were able to join us for our Virtual Holiday Celebration on Tuesday, December 14th. In case you missed it, or would like to see it again, our webpage has links to the videos on our school YouTube page. In addition, I sent out a link to families to be able to save copies of the videos more easily. On behalf of the staff, we hope that you enjoyed the evening and the videos.

In addition, I would like to recognize our two incredible staff members that are leaving us over the break. As you are reading this, Mrs. Oman will be off travelling the world in retirement and Mrs. Leusink is preparing for her new position as full time Learning Commons Facilitator at Dr. Plaxton School. We wish them the absolute best in the future and thank them for the years of dedicated, caring service to the students, families and staff of General Stewart. From the bottom of my heart thank you both very, very much. I would also like to warmly welcome our new Admin Assistant, Mrs. Gulkiewich who is starting with us as we return from this break. She is also a rock star and we are excited for her to be joining us! When I have more information about our Learning Commons Facilitator staffing, I will provide you with an update.

I would also like to give everyone a reminder that Monday, January 3th is a non-instructional day for students and staff due to the Stat holiday on the weekend. Students and staff will start school for the week on Tuesday, January 4th. I also want to remind everyone that if you are in need of help to please contact us at the school. [Chris.Harris@lethsd.ab.ca](mailto:Chris.Harris@lethsd.ab.ca) is the best way to contact me over the break. Take care and we will see everyone soon!
