Hello General Stewart Community!

Hopefully you were able to enjoy the Halloween Carnival and parade! They were a lot of fun and our staff and students worked very hard to plan and prepare exciting ideas for their activities. I know that there was a lot of parent help in some of the construction as well so thank you to the parents for their help as well. We are currently planning for the Remembrance Day Assembly and the Grade 5 Volleyball program has just started. We host our first game on November 1st! Make sure to check the calendar for upcoming events as it is the most up-to-date information for all school activities and events. Once again this year we will be holding 3 Enrichment Days. We have our first one on Friday, November 17th. More details will be coming soon. I would also like to remind everyone that with winter weather coming, please ensure that your children are dressed appropriately for the weather. If you need any assistance in that area, please let us know and we can help. It is very important to have appropriate clothing because students will stay outside before school and at recess, except on very cold days. Thanks, and have a great November!
