Hello General Stewart Family!

Are the rumors true? Is it already February! It just doesn't seem possible, but it is! February is a short month but it has lots of activities. 100 Day, Pink and Red Day, Pink Shirt Day, Grade 5 basketball, and our Division Town Hall (February 7th - I am still looking for people to attend if you are interested). This year's Town Hall is a little different in that it has specific questions for different levels of school. This will also be the first year that Elementary School Students will be included in the discussion. It is a great opportunity to have your voice included in the discussion to guide our Board's priorities for the upcoming year(s).

Our second Enrichment Day was another resounding success and we would like to thank Mrs. Day for coming over and helping us out by running a puppetry session! Our third Enrichment Day will take place on April 26th and will include our Kindergarten students!

I would also like to let you know that some of our students had the opportunity to work with our Indigenous Education Team and myself to design our very own Orange Shirt! It was a very exciting opportunity and we will have Orange Shirts printed with our design ready to give to all students in our school next year on Orange Shirt Day in September. There will also be extra shirts available for purchase if you are interested in getting one for yourself!

Kindergarten registrations are well on their way and we are looking opening registrations for next year's grade 1-5 students near the end of this month. I would also like to remind you that there is no school for students tomorrow, February 2nd and the week of Family Day, from February 19th to 23rd.

Have a great month of February and we will see what Balzac Billy has to tell us tomorrow about the upcoming weather ! Take care!
