Monday - Thursday
8:35 a.m. - 12:00 p.m.
12:40 p.m. - 3:22 p.m.
Friday
8:35 a.m. - 12:00 p.m.

Hello General Stewart Family! We hope that you are able to have a great Spring Break and that you are able to connect with lots of family and friends. The flowers and sights of Spring are starting to make themselves known. It has been great having so many people in the school for Parent-Teacher Interviews, The Grade 4 Quebec Celebration of Learning and the Airband/Talent Show! We truly are a team working together to support all of our students in achieving success and communication is critical so thank you all for being so supportive.

For the remainder of the year, please make sure that you are checking the Website Calendar for the most up-to-date information about school activities. We have a lot of exciting activities coming up so please make sure that you are checking your emails and looking at the website. There are field trips, performances, Indigenous Day Activities, Sports Day and a Community Meal Evening and Kids Market. We will be sharing more details including the dates in the near future.

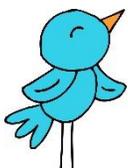

Our March Madness Picture Book Tournament is almost over and it has generated a lot of enthusiasm in our school. After the break, we will have our Final Four and crown our champion!

One last thing that I would like to repeat from a previous email message. Recently we have had a number of people that are parking too close or even on the crosswalk. It is very important that we obey the signs and ensure that we are giving enough space for children to see and cross at the appropriate place. I will continue to remind students to make sure that they look both ways when crossing and to only cross at the crosswalk but we very much rely on parents to make sure that they are keeping all of our students safe. This is especially important when there is ice and snow on the ground as it is easy for people and vehicles to slip or slide. Likewise, if you are parking in the back alley, please pay special attention as we have students that are picked up there as well. It is all of our responsibility to make sure that we are keeping our students safe so please drive safe, drive slow and only park in designated areas.

Thank you very much.

Kaitama'tsin (See you later)
Chris Harris
