Hello General Stewart Family!

May always catches me off guard because it comes up so quickly! It is also a time to reflect and smile at the growth and development of our students. They have grown physically, intellectually, emotionally and socially. It is great to see, and truly a testament to the hard work of our dedicated staff. We still have a lot of exciting activities coming up over the next two months so please make sure that you are checking the Website as it is the most current information.

The Community Meal/Culture Fair/Kids Market and Movie Night, Kindergarten and Grade 5 Assemblies, Indigenous Peoples Day Celebrations, Swimming Party, Sports Day and more are all events to look forward to. We certainly hope to see you at these activities!

In addition to finishing the school year on a high note, we are also planning and preparing for next school year and we will have staffing information that will come out in the next few weeks and I will keep you posted on what that will look like in our school. Thank you again for your support and enthusiasm! Have a great May!

Kaitama'tsin (See you later)
