

# September 27 Weekly Update

In 2015, the Orange Shirt Society was formed to create awareness of the individual, family and community inter-generational impacts of Indian Residential Schools with the purpose of supporting Indian Residential School Reconciliation and promoting the truth that **EVERY CHILD MATTERS.**

This design was created by Indigenous students from General Stewart last year with the support of our Elementary Indigenous Education Teacher, Melanie Morrow. Students selected key components to add to the design which all represent traditional elements of Indigenous life.
