

# October 4<sup>th</sup> Weekly Update

Hello General Stewart Families,

We have had a great first month of school and I can't believe that we are already in October. I have loved getting to know so many of your students. Please reach out if you have any questions or concerns. My door is always open!

Please see the following weekly update for news and information about our great school.

## **School Council Meeting**

Monday October 7

7:00 pm in the Learning Commons

## **Bike and Scooter Safety**

We are noticing that many students are not locking up their bikes and scooters. We just want to encourage that bikes and scooters be locked to prevent any theft or use by another student.

---

## *Truck Needed!*

*We are in the middle of our Haul for Fall food drive. We are hoping to load our food into a truck on Friday October 11 at 9:00am.*

*If you have a truck that we can use to load our food from 9:00-10:00 am we would appreciate it! The Food Bank will then come and collect the food.*

*Please see the included attachment outlining some key items that the food bank would benefit from.*

---

## **Grade 5 Volleyball!**

Next month Grade 5 Volleyball will be starting up.

This is open to any Grade 5 student who would like to play.

We will be holding practices during the lunch recess and games will take place after school on Mondays and Wednesdays.

More information will come out to our Grade 5 families at a later date.

Although it feels a long way off, the Angel Tree Christmas Campaign is open for registrations.

Please visit [www.lfsfamily.ca](http://www.lfsfamily.ca) for more information on eligibility or to support this cause. If you require support with this application, please contact the school and we would be happy to help.
