 - A. Sugar Cookie Fundraiser – **Dec 12th pickup, sales way down from usual, \$358.25 profit, 48 half kits ordered, 65 large kits ordered**
 - B. Bake Sale Fundraiser – **price things on the lower end, we would rather sell everything than be left with anything, ex. \$5 per dozen cookies. Debit machine ready for it, need to get a float from the bank for cash box. Need to keep track of everything we sell, master list.**
 - C. Snowflake Ball – **Dance, photobooth, book fair, hot chocolate, all ready to go!**
 - D. Report Cards - hard copies sent out – **Loved having the printouts, more accessible**
 - E. Field Trips – **\$4,500 total, including year end swim party(which school council always pays for anyways). Look into the price of the pool, very expensive, to discuss with the City of Lethbridge. Should we look into Movie Mill or other options instead? Designated a specific amount per grade for field trips, \$400ish per class. School council to pay this, 2 payments a year. Field trip fees will need to be implemented next year. Voted on, school council all in agreement.**
